

“Don’t forget your supplies! Make sure you bring the right tools for your face-lift!”

Reupholstery Course Supply List

You will need:

1. Chair (small wingback or accent chair)
2. Fabric
3. Tack Puller
4. Gloves
5. Pliers
6. Hammer
7. Staple Gun (and plenty of staples)
8. Scissors
9. Protective gloves (gardening type gloves)

Sometimes we share tools in class so be sure to write your name on all tools brought in to class.

Remember you will have to bring your chair to class every Tuesday so try to pick something that is fairly light. If you don’t have a chair to reupholster then try a thrift store or yard sale for a good deal.

You may need to purchase additional supplies for your chair to properly reupholster your chair. These items can be purchased during class from JoAnns.
